Subject: HOLY GREETINGS

Dear Beloved in Christ,

It is by the grace of God that I received Christ, knowing the truth and the truth have set me free. Having known the truth, I had no choice than to do what is lawful and right in the sight of God for eternal life and in the sight of man for witness of God's mercy and glory upon my life.

I have the pleasure to share my testimony with you, having seen your contact from the Internet. I am Barrister Frank, the legal adviser to late Mr. and Mrs. David Jones, a British couple that lived in my Country Nigeria for 25 years before they both died in the plane crash late last year. These couples were good Christians, they so dedicated to God but they had no child till they died. Throughout their stay in my country, they acquired a lot of properties like lands, house properties, etc.

As their legal adviser, before their death, the husband Mr. David Jones instructed me to write his WILL. Because they had no child, they dedicated their wealth to God. According to the WILL, the properties have to be sold and the money be given out to a ministry for the work of God.

As their legal adviser, all the documents for the properties were in my care. He gave me the authority to sell the properties and give out the fund to the Ministries for the work of God.

In short, after their death, I sold all the properties as instructed and I was able to realized \$10,000,000.00 (Ten million US dollars). Instead of giving the fund out for the work of God as instructed by the owner before his death, I converted the fund to myself with the intention of investing the fund abroad for my personal use. I was afraid of putting the fund in the Bank, because I have to give account to the bank on how I got the money. I then packaged the fund in consignments and deposited the consignments with a security company. I did not want the management of the Security Company to know the content of the

consignments; therefore I registered the content of the consignments as Gold Bars. Now, the security company believes that what I deposited with them was Gold Bars.

I had encounter with Christ when Pastor Benny Hinn was preaching on television concerning Ananias and Saphira in Acts 5:1-11. After hearing the word of God, I gave my life to Christ and became a born again Christian. As a born again Christian, I started reading my bible and one day, the Lord opened my eyes to Ezekiel 33: 18 and 19 where the word of God says:

When the righteous turn away from his righteousness, and commit iniquity, he shall even die thereby. But if the wicked turn from his wickedness, and do that which is lawful and right, he shall live thereby". From the scripture, I discovered that the only way I could have peace in my life is to do what is lawful and right by giving out the fund as instructed for the work of God by the owner before his death.

I have asked God for forgiveness and I know that God have forgiven me. But I have to do what is lawful and right in the sight of God by giving out the fund to the chosen ministry for the purpose of God's work as instructed by the owner before his death.

After my fasting and prayers, I asked God to make his choice and direct me to a honest Christian or the chosen ministry that deserves this fund by his Grace. I then came across your address on the Internet as I was browsing through a Christian site, and as a matter of fact, it is not only you or your ministry that I picked on the Christian site initially, but after my fervent prayer over it, then you were nominated to me through divine revelation from God, so these are how I received such a divine revelation from the Lord, how I got your contact information, and I then decided to contact you for the fund to be used wisely for things that will glorify the name of God.

I have notified the Security Company where I deposited the consignments that contained the fund, that I am moving the consignment abroad and the security company has since been waiting for my authority for the

consignment to leave my country and move to abroad.  
So if you know that you will use this fund honestly  
for things that will glorify God's name, then do  
urgently contact me back and the details will be given  
to you on how you will be able to receive the fund  
in your country through the security company.

You should also forward to me your telephone and fax  
number for easy communication and to fax you the  
documents concerning the consignments.

Your prompt response will be highly appreciated.

Yours in Christ.

Barrister Frank.

Subject: assist me in the name of God

Please endeavour to use it for children of God.

My name is Mrs. Roseline Peters from Malaysia. I am married to Dr Nirvana peters who worked with the Malaysia embassy in South Africa for nine years, Before he died in 2002.

We were married for eleven years without a child.He died after a brief illness that lasted for four days.Before his death we were both born again christians.Since his death i decided not to remarry or get a child outside my matrimonial home which the bible spoke against.

When my last husband was alive he deposited the sum of \$22million US dollars [twenty two million US dollars] with a security company in Europe.Presently, these money is still with the security company in europe.

Resently my doctor told me that i will not last for next one year due to cancer problems. Though what disturbs me mostly is my stroke.Having known my condition i decided to donate this funds to church or still a christian individual that will use this to fund churches,orphanages and widows propagating the word of God and to ensure that the house of God is maintained.

The bible made us to understand that blessed are the hands that giveth.I took this decision because i don't have any child that will inherit these money and my husband's relatives are not christians and i don't want my husband hard earned money to be misused by unbelievers.

I don't want a situation where these money will be used in an ungodly manner,Hence the reason for taking these bold decision.I am not afraid of death hence i know where am going.I know that am going to be in the bosom of the lord.Exodus 14vs14 says that the lord

will fight my case and i shall hold my peace.I need your telephone communication in these regard because of my health i cant always go to the cyber cafe to check my email,And because of the presence of my husband's relatives arround me always.

I don` t want them to know about these development. Although i can do all things through christ that empowers me.As soon as i recieve your reply i shall give you the contact of the Security Company in Europe.I will also percel to you all the deposit document and a letter of authority that will enpower you as the original- Beneficiary of this funds.I want you and the church to always pray for us.

My happiness is that i lived a life of a worthy christain,Whoever that wants to serve the lord must serve him in spirit and truth. Please always be prayerful all through your life.Any delay in your reply will give me room in sourcing for a church or christain individidual for these same purpose.Please assure me that you will act accordingly as i say.

Thanks for your cooperation.

Best regards,

Mrs Roseline.
